Re: Receipt of Surety Rider, Sunshine Mining Company, Apex/Burgin/Trixie Mines,  
M/049/009, Utah County, Utah

Dear Mr. Owens:

We are in receipt of the rider from Aetna Casualty Insurance Company which reduces Sunshine Mining Company's reclamation bond #1 \$39,800. The amount is reduced from \$737,000 to \$697,200.

This surety amount was reduced because South Standard Mining Company has filed a \$39,800 bond for reclamation of the Trixie Mine site which they have assumed continued responsibility for. Sunshine Mining Company is now released from any further reclamation requirements at the Trixie portion of the Apex/Burgin mine.

We are awaiting the permit transfer from Sunshine Mining Company to Chief Consolidated Mining Company for the Apex/Burgin mine. If you have any questions regarding this letter, please do not hesitate to contact me.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
